

U18 Player Driving Policy

Policy

- A. This policy is in place to keep our U18 aged players, who can legally drive, safe in the event of a concussion or injury during a game or practice.

- B. For Practices:
 - a. Players will be allowed to drive themselves to and from practices taking place at any of the three locations; Calmar, Thorsby or Warburg. Caution should be taken if a player sustains any injuries during the practice. A parent must be contacted before the player leaves the arena.

- C. For Home Games:
 - a. Players will be allowed to drive themselves to and from home games taking place at any of the three locations; Calmar, Thorsby or Warburg. Caution should be taken if a player sustains any injuries during the home game. A parent must be contacted before the player leaves the arena.

- D. For Away Games:
 - a. Players are not permitted to drive themselves home after an away game. It is recommended that a parent drive the player home or set up arrangements for the player to travel to and from a game with another family if required.
